Dear Frank,

I would like to take this opportunity to share my results and the difference the LMI process has made to me personally and organizationally.

The Effective Productivity Program has helped me reduce stress, get more done in less time and allowed me more time for personal development.

Through the work with LMI Canada, I have made many achievements to be proud of:

- 63% reduction in company absorbed change orders from 69% to 6%
- 15% increase in revenue from change orders
- 10% improvement in team performance with projects closing at a higher gross profit percentage than this time last year

The net result has been a 10:1 return on my investment in the program.

I would highly recommend LMI Canada's programs and process to anyone who is looking for an edge in their business and personal life.

Sincerely,

Derrek Verschuren
