Dear Mr. Kreze:

I wish to thank you for your excellent mentorship in guiding me through the LMI Effective Personal Leadership program.

I have participated in many personal seminars but the LMI program provides a unique opportunity to understand and implement essential behaviours that facilitate personal growth and development. In order to achieve such growth, this intense program stretches ones' tolerance to explore and face the various aspects of life that directly and indirectly influence success.

I thank you for the personal attention and coaching. It was critical to accomplishing the various program lessons and objectives. This program will well serve individuals who are willing to understand and change their behaviours in order to achieve greater personal growth and leadership.

Yours sincerely,

Silvano A. Mior, DC
