Tyrone H. Matheson

LMI Canada Inc.

205 Matheson Blvd. East, Unit 15

Mississauga, ON L4Z 3E3

Dear Tyrone:

I would like to take this opportunity to share my results and the difference the LMI process has made to me personally and organizationally.

My expectations prior to enrolling in the LMI have been far exceeded. The style of teaching and the way the information is presented is unlike any I've ever seen before.

Have taken many self improvement courses in the past I can say with conviction, LMI has improved my personal and business life the most. My business and personal goals were unclear before I had started the course. A few short months later, I'm clearer than ever before on where my business and personal life are heading. The program affects so many aspects of your life that dramatic positive changes start to happen immediately.

The course material was enjoyable and very easy to read. I never felt pressure from Tyrone; his advice was always given as guidance. He was able to adapt quickly to my learning style and tailored the course to suite me.

I lacked in both areas of time management and effective communicating with Team members and found the LMI course helped me to indentify and ultimately improve on both.

Through the work with LMI Canada, Tanya Santoro Team.com has many achievements to be proud of:

- ❖ 42% Reduction in staff, has increased business by almost 50%. LMI has helped me find wasteful and *expensive overlaps in job responsibilities. Cutting the fat, so to speak, has saved our company over \$3000 in the first month alone.*
- ❖ 100% Improvement in *team attitude in the past 30 days. This is a direct result of better communication.*

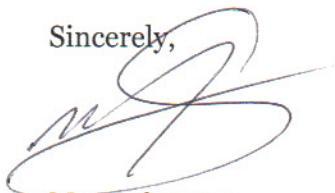

The net result is a 10:1 return on my investment. The long term results will prove to be even more financially rewarding.

Personal Goals Achieved:

1. 20 lbs weight loss in 4 months, while increasing lean muscle mass.
2. Through affective time management, I was able to spend more quality time with my family.
3. Buy reducing stress; I was able to build a better personal relationship with my Team.

I would highly recommend LMI Canada's programs and Process to anyone that is looking for the slight edge in their business and personal lives.

Sincerely,

Marco Santoro
