Dear Gerry:

I would like to thank you for your time, support and encouragement over the past months while I successfully completed the Effective Personal Productivity program.

The Effective Productivity Program has helped me to organize my day-to-day processes and to recognize that focusing on the high pay off activities is key to success.

The Effective Productivity Program has been beneficial to my improvement in time management and delegation skills.

I would highly recommend LMI Canada's programs and process to anyone that is looking for the slight edge in their business and personal lives.

Sincerely,

Tammy Wylie
CAO-Clerk-Treasurer
