Gerry Stickland  
LMI Canada

Dear Gerry:

I would like to take this opportunity to share the difference the LMI process has made to me personally and organizationally.

The Effective Productivity Program has greatly increased our business organizational efforts, and given us the tools needed to pursue ongoing growth and expansion.

Through the work with LMI Canada, *I* have many business achievements to be proud of:

- Realized what systems could be set in place to allow us to analyze existing trends and patterns.
- Implemented those systems and have been able to make wise decisions based on actual data.
- Structured work time differently, and increased efficiency through delegation after much training

Personal Goals Achieved:

1. Spend more time with my family
2. Personal time at a gym 3 days a week
3. Feeling empowered by positive results

I would highly recommend LMI Canada's programs and Process to anyone who is looking for the slight edge in their business and personal life.

Sincerely,

Andre Koehler
